My family and I had an outstanding experience with Pioneer Pools. Our sales rep Dale was fantastic and guided us through the whole process seamlessly. The pool was delivered, and installed ahead of schedule, the install team was fast and super professional as well. The after sales service has also been exceptional. This is a great company to work with, highly recommended. Thanks again to Dale and the whole team :)

TRINITY

BY **AQUA LEADER** MADE IN CANADA 🇨🇦 | BUTTRESS FREE | SALT-FRIENDLY

The Aqua Leader Trinity Above Ground swimming pool was designed with three key ingredients in mind - durability, low maintenance, and family fun! The radial resin 6" top rails and resin 7 1/2" wide wall posts were created using a state of the art injection moulding process for superior strength and preservation over time that also makes these pieces salt-water friendly.

The top rails feature unique channels that work to capture water making your rails less slippery when entering and exiting the pool. The 54" Trinity wall is the tallest we offer making it the perfect option for families with kids from young to old and swimmers from beginner to professional.

We purchased an Above Ground Pool with Pioneer Pools Brantford in June 2020. We had a very good experience and would like to thank Brady for his care and professionalism. Brady sold us our pool and ensured we purchased a pool that was a good fit for our family. He was patient with answering our questions, and made himself available when we had any questions or concerns about our pool delivery and installation.

We decided on a pool late in the season and were thrilled that Pioneer was able to get ours in late this year so it is ready for the start of swimming season next year. Very happy with the service Ryan and his team provided. Ryan even came out and personally helped me close it because it was too late to take their pool owner's course. Thanks guys, your good reputation in the K-W area is well deserved!

I recently had a pool installed by Pioneer. From start to finish, Josh was there to answer any questions I had. It did not matter when I called or emailed, he always made an effort to get back to me very quickly. Customer service has been excellent. Making such a large purchase can be stressful. It is nice to know you have someone to reach out to even after the project is wrapped up. Overall, I highly recommend Pioneer!

I owe a huge thanks to the owner of Pioneer Pools, who went above and beyond to not only find me a pool when there were none to be found, but arranged for the installation to occur months earlier than I expected..and he even threw in a robotic pool cleaner as a thanks for my role during COVID. I have never met the owner before and his gesture was simply an act of kindness to a single mom working long hours during COVID. My kids and I were so incredibly touched by his generosity!!
