I recently bought an above ground pool from Dale and the experience was AMAZING..Dale was friendly and informative and recommended the perfect pool for me. He kept me posted on installation dates (3 weeks earlier than anticipated, YAH) and everything went smoothly. Dale has continued to support me through the learning experience and always responds to my e-mails within the day. I highly recommend Dale and his team for all your pool needs. I will be a repeat customer of Dale!

A little late for 2022 but would like to say thanks for an amazing job with our new pool. I would like to thank Mark and Jake for the process and making it easy and to Jake jr and his crew for the hard work getting our pool installed so we could have a-little time to swim before we closed it. These guys know what they are doing and would recommend this group to anyone planning on a pool.

Trinity

MADE IN CANADA 🇨🇦 | BUTTRESS FREE | SALT-FRIENDLY

The Aqua Leader Trinity Above Ground swimming pool was designed with three key ingredients in mind – durability, low maintenance, and family fun! The radial resin 6" top rails and resin 7 1/2" wide wall posts were created using a state of the art injection moulding process for superior strength and preservation over time that also makes these pieces salt-water friendly.

The top rails feature unique channels that work to capture water making your rails less slippery when entering and exiting the pool. The 54" Trinity wall is the tallest we offer making it the perfect option for families with kids from young to old and swimmers from beginner to professional.

Shopped around other competitive places, and hands down this is the place to go. On the day of install I was met with a pleasant crew. During their install, it actually seemed like they were having fun doing their work. What more can you ask for!? People who enjoy what they are doing and having a good time, for work!? If I have to say anything about this process, the communication is great and the people are even greater.

We got an above ground 18'. Mark D was absolutely amazing in providing exemplary customer service during the entire process. The sale process was a breeze. The crew installed it the same day, left the backyard spotless and were very professional and efficient. Mark put it in very simple terms how to keep the water chemistry top notch. He was always available with post-sale help and instructions. We had zero issues so far and expect to use the pool trouble free for many years to come.

Excellent customer service, rare treat these days.

Thanks Mark!

We are very pleased with our new pool! They were able to install a pool during the summer of 2021 and we think that was pretty impressive! Most companies did not even return our calls or offer to come out for an estimate. The quality of the pool and installation are top notch! Bill was a wonderful help to us on the sale of the pool and Blake and his team did a great job on the installation. Thanks for making our backyard swimming dreams come true!
