FANTASY SPAS®

EMBRACE EVERY MOMENT

Roomy enough for three, perfect for just the two of you, the Fantasy Spas® Embrace® has a triangle shape allows it to fit perfectly in tight spaces or corners. Being small in layout does not cause the Embrace to sacrifice quality or comfort. It features 17 jets (including wrist and foot jets) that deliver a personalized, strong massage, a cool down seat, and Plug-N-Play technology which means no electrical hardwiring is required. Just fill it up, plug it in, and begin enjoying your own personal oasis.
