The Cardwell's PARADISE GETAWAY

Every detail of the Cardwell property is spectacular!

From the trendy, white fencing, to the modern Kidney Driftwood Pool topped off with a full Cheyenne Crystal Liner, This slick and sophisticated backyard oasis is one for the record books. The thorough planning and design that went into creating this outdoor refuge are absolutely impressive, and it was certainly well worth it.

The Cardwell family selected a Modern Kidney Shaped Pool to enhance their outdoor space. The Cardwell family enjoys lounging in, and around, with the added ambiance of their Double LED Lighting system for ambiance and calming nighttime energy to their outdoor oasis.

Always dependable. Chris is amazing!
He takes care of everything for you. Our onground
pool is our favourite hangout!
Sandra Johnston

Our experience was first rate. From conception to implementation to completion, Greg and his team were professional, diligent and meticulous. All members were attuned to our design parameters, attentive to our questions and concerns, and respectful of our inclusion in all aspects of the construction process.

They were true to their timeline, product and price. We would highly recommend!

The Russell's Spot FOR FUN IN THE SUN

The Russell's have created their own personal oasis with the modern Emerald II Onground Pool that serves as the focal point for this retreat.

From the moment you walk into the backyard and step onto the two tone stone walkway that seamlessly blends into the stone retaining wall, to the perfectly executed wood deck that surrounds the remainder of the pool, you can feel your stress and anxiety melt away.

After stepping into the revitalizing waters of this onground pool you'll find it difficult to leave thanks to the ample 14' x 22' size and the brilliant blue colour of the White Beach Pebble Liner. Just steps away from the pool the wood deck provides

ample space to relax in the sun or enjoy a delicious meal with friends as you make use of the ample patio seating. The poolside pergola provides the perfect amount of cover to dry off after a dip in the pool and get lost in your favourite novel.

'Pool party' has a whole new meaning when you're near this retreat thanks to some inspiring landscaping work from our friends at Huntington General Inc. who helped to create a backyard oasis fit for both fun and relaxation.

The Horne's BACKYARD RETREAT

Welcome to the Horne's 15' x 29' backyard paradise!

Guests of the Horne family enjoying soaking in the modern Emerald Shaped Onground Pool, while listening to the soothing sounds of the Rock Waterfall, and looking out at the expansive Horne property. One of our favourite features of the Horne backyard is it's warm, neutral, colour palette that makes you feel that you are in a natural oasis!

The combination of the rocky landscaping, Rock Waterfall and sleek, modern, decking blend to create a truly timeless backyard style. The Full Reef Liner compliments the neutral, grey decking perfectly and gives the water it's inviting bright, teal colour.

The Fede's Relaxing BACKYARD RETREAT

The Fede's 17' x 28' Kidney Shaped Pool Is Big, Bold & Beautiful!

As the main feature bringing focus to their backyard, the vibrant Coral Liner does well to emphasize the various blue accents in their surroundings. Sit back and relax in the teal chaise lounges featured directly in view of the pool itself, or enjoy a nice glass of wine in the dining area over the floral blue rug!

Placed perfectly in the center of their backyard, the Onground Pool serves as the primary focal point from any angle. With every nook being in clear view of the pool, the water can be enjoyed by dipping your toes, swimming laps, or simply admiring from the distance.

The Thermoplastic Steps provide a safe and easy four-step walkway right into refreshing waters, making a fun day in the sun merely a splash away!

This fully enclosed pool area allows you to focus on the important things, like family fun and get togethers with friends. Whether it's a hot, sizzling summer day; or a cool quiet evening. The Fede's backyard retreat provides the perfect spot to enjoy the outdoors.

Twain is fantastic to work with, and is a honest & professional. He came out to our house and helped us plan our pool vision. He was always available when we had a question or concern. The young man who came for our pool orientation was amazing. He explained everything and was super friendly. The staff at this store are very friendly and knowledgeable.

Thank you Twain for your help with our pool and deck build!

If you're looking for deep seating options other than sectionals, we offer bistro sets, sets for smaller spaces, or even picking your favourite item from a piece in one of our collections.
