PROTECT YOUR POOL

With A Safety Cover Or Lock-In Cover

KEEP YOUR FAMILY, FRIENDS & PETS SAFE THIS WINTER WITH A SAFETY COVER

Our Mesh cover is the easiest, safest, and most economical choice over time. It makes closing your pool a breeze by providing 95% shade to reduce algae growth from Winter to Spring. Our covers are made with the highest abrasion resistance and tear strength in their class and come with a 15-year warranty. Manufactured with lightweight, mesh material that's available in 4 colours and can be custom made to fit any size or shape pool with just about any feature including raised walls, water falls, diving boards, stairs, and rails. The simple anchoring system allows you take your cover on or off with ease using the included installation bar.

WHAT'S INCLUDED IN YOUR SAFETY COVER KIT?

Your new Safety Cover comes with all the hardware you need including specialized tools that will be used during installation. The items included in these boxes are specific to each pool owners unique shape and specs. Owners will also receive warranty information regarding their cover that provides detailed information if any issues should arise.

Brass or Wood Anchors & Lawn Tubes
Stainless Steel Springs
Installation Bar

Allan Key
Winter Storage Bag
Installation Manual & Warranty Guide

TWO EXCLUSIVE FEATURES INCLUDED:

1. Larger, Heavy-Duty Springs stay-put™ springs that work with current anchor locations. This ensures your springs can handle heavier snow loads
2. Pioneer Identification Tag When you order our Safety Cover, you get a personalized ID tag that stores your measurements for future reference in our system

NO MORE SCRUBBING, NO MORE EYESORE

No need to clean and scrub this cover as leaves and debris can be blown or swept right off! Choose from 4 great colours, which means no more unsightly black tarp to look at for the entire winter.

THE STRENGTH IS IN THE SEAMS

Safety is in the details. Seams are interlocked & double overlapped using special UV & chemical resistant threads. A Box Tack reinforces the straps while the protective pads prevent abrasion.

COST EFFECTIVE

The rainfall and snow melt will help fill your pool for the Spring meaning less money to get to the proper operating level.

EASY TO USE

Safety Covers come with an easy-to-use application tool so that you can put the cover onto the achors with minimal stress. Contact one of our service experts if you wish to get assistance in applying the cover for pool closing.

| Lock-In Winter Cover

Our form-fitted winter cover snaps into your coping with ease, securing the entire circumference of your pool. There is no contact with the deck surface, so staining is impossible. The non-porous cover keeps your water sparkling all winter long. Your pool looks like a pool should all year long!

Our vinyl lock-in winter covers are made right here in Canada, come with a 5-year warranty (1-year full Warranty, 4-year pro-rated Warranty) and are custom made to fit your pool.
