My family is absolutely thrilled with the pool we got from Pioneer Family Pools. Michael and his team were very informative on the process, the price was fair and the work was completed by expert technicians.

They showed us how to use all the equipment and were very responsive to any follow up questions. I would highly recommend this location and thank you very much for your efforts.

I purchased an above ground pool in May 2024 from Pioneer Family Pools Oakville and was pleased with the work from beginning to end. Right from the first email dealing with Marcel Zachajusz was just easy he gave me all the information I needed and helped me through the whole process without any stress on my part.

To the Oakville team, thank you for all the work you did, my family, especially the kids absolutely love the pool. Great service !!
