# Your dream outdoor space STARTS HERE

Since 1965, Pioneer Family Pools has been all about more than just installing pools—it's about creating spaces where families make amazing memories. Decades of experience have taught us what matters most to our customers, and we're always looking for new ways to make your backyard dreams come true.

I had a pool installed by Pioneer last year and it has been a very positive experience thus far. I have had the pleasure of dealing with Bryn who made the whole process easy and straightforward from start to finish.

What I have really appreciated is all the help and support he has provided since becoming new pool owners. He is quick to answer our calls/questions and has willingly paid a couple of visits to our house when asked or needed.

If you are seeking a reputable pool company with a high level of service, I would highly recommend Pioneer and Bryn.

*Lauren Lawson*

# The Skipton's MIAMI- INSPIRED ELEGANCE

This pool isn't just a backyard upgrade — it's a complete lifestyle experience, combining beauty, function, and innovation for years of enjoyment.

The Skipton's backyard was transformed into a luxurious retreat with this 30x40 Miami-shaped inground pool. Featuring a sleek Caribbean Grey liner, the pool combines modern sophistication with timeless style, making it the centerpiece of their outdoor living space.

This masterpiece is designed with custom open-top steel steps for seamless entry, complemented by a cantilevered rebar-re-inforced concrete deck that enhances durability and elegance. Four integrated multi-colour LED lights bring the pool to life at night, while the Polaris 9450 robotic cleaner ensures effortless maintenance. A pool-side round spillover spa offers the perfect place to unwind, blending relaxation with style.

The Jandy digital pool heater keeps the water comfortable, while the advanced iAqualink control system with Fusion Soft Salt provides easy, smart pool management.

# The Simon's RESORT INSPIRED OASIS

The Simon's backyard is one for the books & is something that you have to see to believe!

We are confident that guests of the Simon family won't want to go home from this freeform resort style oasis. Their 40' x 40' custom Inground is complete with a Natural Waterfall from an upper pool area and a full swim-in Grotto. Guests can swim into the Grotto from the main pool, or lounge on top of it in the upper pool; the Simon's pool has plenty of options for swimmers. The Full Avalino Vinyl Liner keeps this pool looking bright and inviting all summer long.

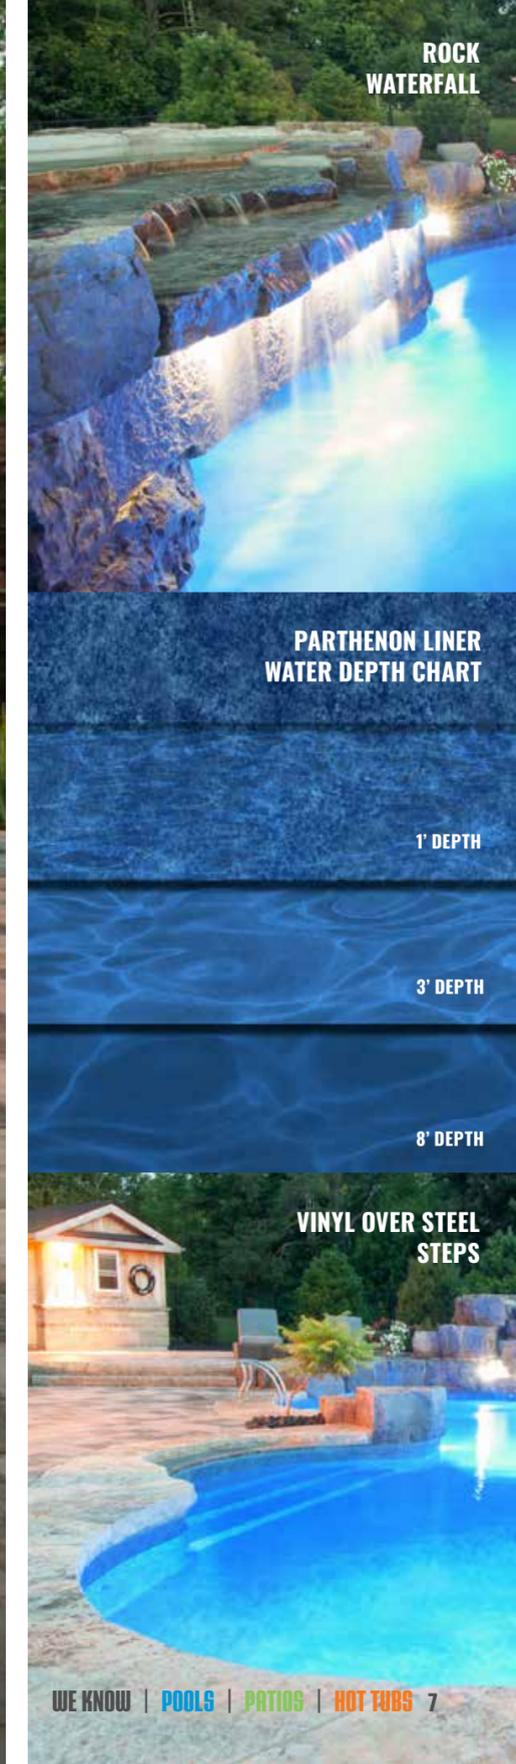

The fun does not stop there! This sprawling yard also hosts a custom putting green, a covered outdoor kitchen, cozy lounge areas and a patio/dining area. The Simon's and their guests will never be bored in this wonderful escape. From evenings spent lounging by the Outdoor Fireplace, to splashing around in their large ground, this backyard was a dream that became reality.

We worked with Landecks Landscaping to complete this jaw-dropping masterpiece. Landecks Landscaping is a Flamborough based landscaping company servicing Oakville, Milton, Burlington, and surrounding areas.

**If you're looking to install a pool, I can't recommend working with Chris from Pioneer Pools enough! From start to finish, he guided us through every step with incredible knowledge, professionalism, and patience. There was never a question we couldn't ask — Chris always took the time to explain everything and made us feel completely comfortable throughout the process. Because of him, we now treat Pioneer as our one-stop shop for everything pool-related.**

*Cameron Roy*

From the very beginning, our experience with Pioneer Pools has been nothing short of outstanding. Having Mike as our project manager was a game-changer.

His wealth of experience and knowledge guided us through the entire process, resulting in a stunning pool that exceeded our initial vision. If you're seeking a stress-free project executed by professionals who prioritize client satisfaction, look no further than Pioneer Family Pools.

*Lina M.K.*

# The Dagmeir's CONTEMPORARY OASIS

The Dagmeir's inground pool is a stunning example of modern design and functionality.

The Dagmeir's inground pool is a stunning example of modern design and functionality. With a sleek rectangular shape, measuring 8' x 30', this pool offers a perfect balance between compact elegance and ample space for relaxation. The Grey Crystal liner gives the water a deep, rich blue hue, adding to the pool's sophisticated aesthetic.

A Sheer Descent water feature enhances the pool's beauty, creating a gentle, cascading waterfall that adds a luxurious touch and provides a soothing atmosphere. The vinyl over steel steps are seamlessly integrated into the pool's design, ensuring a smooth, uniform appearance while offering easy access. As night falls, the Multi-Colour Lighting System transforms the pool into a vibrant, illuminated oasis, perfect for evening swims or entertaining guests.

The Dagmeir's inground pool is more than just a place to swim; it's a stylish retreat designed to elevate any backyard, offering a perfect escape for relaxation and enjoyment.

We can't thank Bryn and the team at Pioneer Family Pools for the amazing job they did on our pool install! From start to finish Bryn was hands on making sure everything went smoothly and to our satisfaction. He helped us come up with a design that worked for our backyard and walked us through the process answering our questions and proposing solutions that made sense. If you're looking to put in a pool and want 5 star service, we would highly recommend Bryn and Pioneer Family Pools!

## The Charlemagne's RESORT INSPIRED OASIS

We've created the perfect Summer hangout spot!

The Charlemagne's Rectangular Inground Pool is the entertainment spot for the family. It is the perfect blend of simplicity and modern design. The main features used in Charlemagne's pool are the Grey Cypress Liner, Vinyl-Over-Steel Steps, built-in Pool Seating, and Sheer Descent Falls.

The pool looks marvelous at night because of the hanging sequential serial lights. The Charlemagne's backyard is the perfect summer hangout spot, and their pool's strikingly, blue water is as refreshing as it looks!

The family and their guests will enjoy relaxing in the Poolside Spa, complete with its own Custom Sheer Descent Waterfall Feature, and on the patio chairs overlooking the pool.

# FROM START TO **Splash**

### MUST-HAVES LIST

A RECTANGULAR POOL WOULD REALLY PULL THE LANDSCAPING TOGETHER

# 1 POOL TYPE VINYL?

Vinyl pools are custom-built on-site, offering flexibility in shape, size, and design to suit each specific and unique backyard. In dealing with city required setbacks and regulations, a vinyl pool also allows a homeowner to maximize the use of their available space due to vinyl's virtually limitless customization potential. They are generally a little more budget friendly upfront versus a quality Fiberglass pool and come with the choice of a very wide variety of patterns and tones for a personalized look. The smooth surface is comfortable for swimmers with a typical liner life of 8-12 years. While this means you will replace the pool liner every decade or so, it is also an opportunity to refresh and give the pool a brand new look at a reasonable cost. Vinyl pools are a great choice for families seeking customization and great overall value.

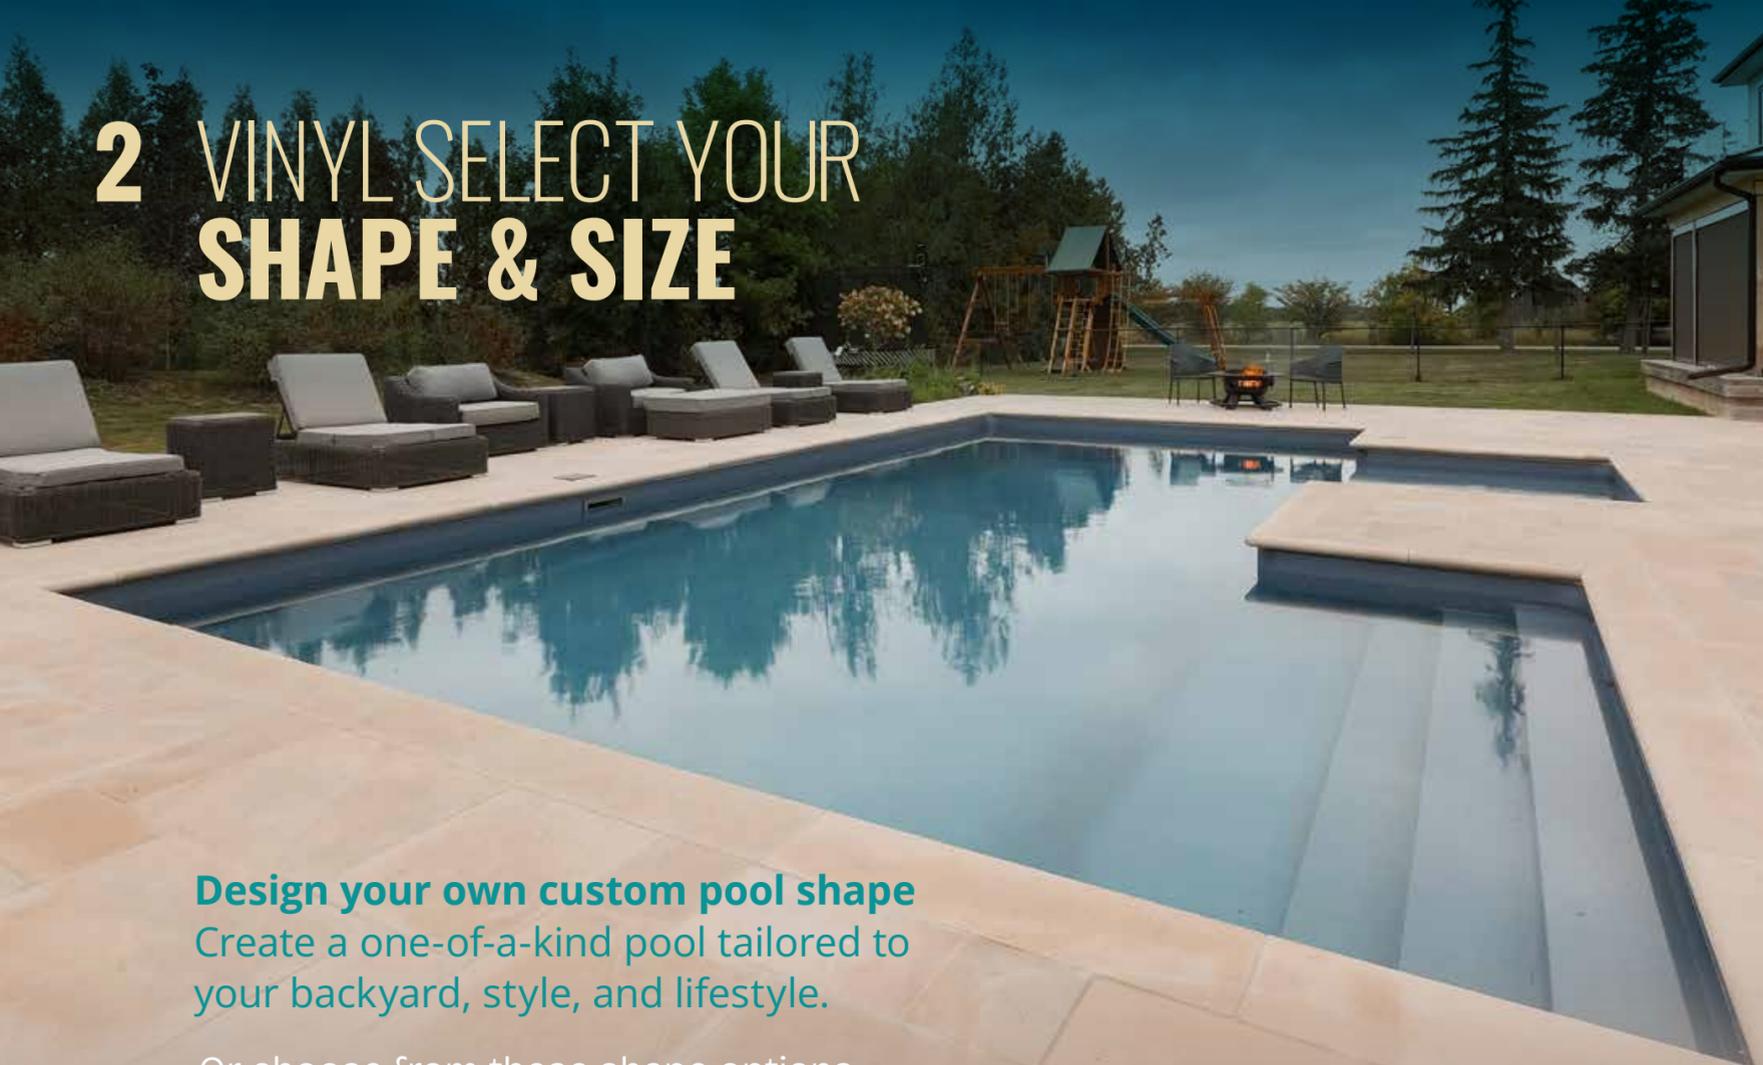

# OR FIBREGLASS?

Fiberglass pools are pre-manufactured shells installed or “dropped in” as one piece. This style of pool can make for a quick and streamlined installation. Their smooth, non-porous surface can resist algae and can help to lower the overall maintenance of the pool. Many models include built-in features like tanning ledges and benches. A quality Fiberglass pool typically involves a slightly higher upfront investment and comes in pre-set shapes and sizes. Typically each model has a few popular colour choices to help achieve the desired look. The fiberglass pool is a great choice for families looking for convenience and specific features.

**For more information and assistance to determine which pool type is best for your family, our expert team is standing by ready to assist you!**

## 2 VINYL SELECT YOUR SHAPE & SIZE

# 3 CHOOSE YOUR VINYL STEPS

## THERMOPLASTIC -OR-VINYL OVER STEEL?

Vinyl-over-steel steps provide greater customization, strong structural support, and a seamless, high-end finish that blends perfectly with your pool liner—making them ideal for custom designs. Thermoplastic (fiberglass) steps are durable, pre-formed, and more budget-friendly with minimal maintenance, though they offer fewer design options.

### Vinyl Over Steel Steps

Considering vinyl over steel steps? Speak to an expert today to get a custom entrance into your backyard oasis. Make something entirely your own by adding a bench, sun ledge or custom shape.

### Thermoplastic Steps

Our steps are built with a strong one-piece design that will never delaminate, splinter, corrode or puncture. Safety is first with raised, slip-resistant treads for easy entry and exit. In every Step or Ladder you'll find strength, durability, design, and safety.

# Have You Considered Salt?

We've seen the trend switch from traditional systems to new & improved salt water sanitation systems.

Here's a breakdown of some of the benefits:

#### ENJOY CONSISTENT SANITATION

With a salt sanitation system, you'll enjoy the benefit of a more consistent sanitation system as the salt cell itself is responsible for creating its own chlorine to sanitize the water. Chlorine in a salt pool? Yes! Unlike a chlorine system, where chlorine has to be handled and added manually, salt systems regenerate natural chlorine to provide a safe and balanced system.

#### IT SAVES TIME

Salt water pools require less maintenance to alleviate traditional harms like algae, because algae does not grow as quickly in salt water pools due to more consistent sanitation. The water is naturally transformed from salt to chlorine saving you time by not having to balance your water as often.

#### SPEND LESS ON CHEMICALS

Once you've added your salt to your pool for the season, chances are, you won't have to add any more. The only time you'll need to replenish the salt will be after a hard rainfall where the water balance may have skewed, when you have to re-fill, or when backwashing. You won't need to handle chlorine or worry about getting it on your clothes as the salt system produces its own natural chlorine.

#### SILKY, SMOOTH WATER

One of the major benefits to salt water pools is that they avoid the build-up of chloramines. The consistent replenishment of chlorine prevents strong chemical odours and allows for Pool owners to enjoy silky smooth water that is easier on your skin, eyes and hair. Salt water systems operate a lower chlorine level which means the water is less drying to your skin. And don't worry about tasting the salt in the water. A swimming pool will operate at approximately 3,000 ppm of salt, whereas the ocean holds a 35,000 ppm of salt. Enjoy more of your pool with less work.

These are just a few of the primary benefits to having a salt water pool. In the end, the decision comes down to how you plan to use your pool, the overall maintenance you want, and the feel you want to achieve when you first walk in. We carry a selection of Chlorine, Bromine, Ozone, UV, and Salt Systems to provide you with all the options for keeping your pool clean.

If you have any questions, our knowledgeable staff are here to help you make the right choice for your unique backyard oasis.

# 4 DECIDE ON LANDSCAPING

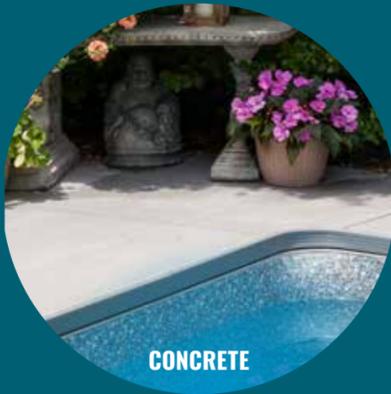

## Be As Bold As You Want To Be!

With a wide selection of natural stones and styles to choose from, the design possibilities are as endless as your imagination.

Whether you're looking to add a touch of natural colour, or blend the exterior of your home with your pool and landscaping, there's always a perfect fit for every design idea.

MIX & MATCH DIFFERENT MATERIALS

Pool landscape design has changed significantly over the past few years. Gone are the days of large properties and open space between neighbours. Our extensive industry experience has helped us to develop innovative ways of making your backyard, no matter what the size, exactly what you dreamed. Check out our new 'small pool' concepts and connect with one of our experienced pool design experts today!

### The Day's Small Yard Oasis 8' X 30' RECTANGLE POOL

The Dagmeir's inground pool is a stunning example of modern design and functionality. With a sleek rectangular shape, measuring 8' x 30', this pool offers a perfect balance between compact elegance and ample space for relaxation. The Grey Cyrpress liner gives the water a deep, rich blue hue, adding to the pool's sophisticated aesthetic.

A Sheer Descent water feature enhances the pool's beauty, creating a gentle, cascading waterfall that adds a luxurious touch and provides a soothing atmosphere.

The Vinyl Over Steps are seamlessly integrated into the pool's design, ensuring a smooth, uniform appearance while offering easy access. As night falls, the Multi-Colour Lighting System transforms the pool into a vibrant, illuminated oasis, perfect for evening swims or entertaining guests.

The Dagmeir's inground pool is more than just a place to swim; it's a stylish retreat designed to elevate any backyard, offering a perfect escape for relaxation and enjoyment.

# 5 CHOOSE YOUR EQUIPMENT

## Versa Plumb Pool System

Whether you choose a Chlorine or Salt sanitation system, our Versa Plumb System is up to the task, reducing hydraulic resistance by up to 50% versus other equipment pads. This innovative system allows for up to a 1/2 HP smaller pump to achieve the same flow, resulting in greater energy savings by using 50% less plumbing pipes and fittings.

### 1. JXIQ™ GAS HEATER

The JXIQ heater with VersaFlo sets a new standard in pool heating technology with ultra-compact size, high efficiency and user-friendly digital control panel.

### 2. NATURE2® FUSION MINERAL PURIFIER

By combining patented Nature2 mineral technology with an automatic chlorine tab feeder, the water is noticeably cleaner, clearer, and softer. A natural supplement to chlorine by maximizing the chlorine's efficiency.

### 3. CV CARTRIDGE FILTER

Constructed with durable, corrosion resistant, and heavy duty polymeric materials for long lasting performance. The CV Filter comes in 340, 460 and 580 sq. ft. options. CS 250 for smaller applications is also available.

### 4. FLOPRO™ PUMP

Fitted with an ergonomic cam-lock lid for easy alignment and strainer basket cleaning. Energy efficient without compromising power.

# 6 CHOOSE POOL OPTIONS

## 1. UV SYSTEM

The UV System destroys micro-organisms that chlorine or salt generators cannot, keeping your pool cleaner and healthier while dramatically reducing chemical demand without the harmful by-products.

## 2. MOOV HEAT PUMP

It's mission is to keep your pool at a constant temperature all season while saving you money. It is a 'set it and forget it' variable speed technology that offers an impressive level of silence and unrivaled value for your money!

## 3. VERSAFLO INTEGRATED BYPASS

The JXi™ with VersaFlo is the first and only swimming pool heater that automatically directs the flow of water through the heat exchanger when heat is needed and around the heater when heating is not needed — allowing you to save money on your electricity bill.

## 4. NATURE2 FUSION SOFT SALT WATER

The Nature2 Fusion Soft system is an all-in-one salt water sanitation system. The Fusion Soft combines all of the benefits of the Nature2 Cartridge with the convenience and performance of an automatic salt water sanitizer.

## 5. ROBOTIC POOL CLEANER

The Zodiac Robotic cleaner takes pool cleaning to the next level with Zodiac Vortex technology for powerful and constant cyclonic suction throughout the cleaning cycle.

## 6. OZONE WATER PURIFYING SYSTEM

Ozone reduces the demand for pool chemicals by up to 60% by actively breaking down waste and allowing chlorine to work more effectively.

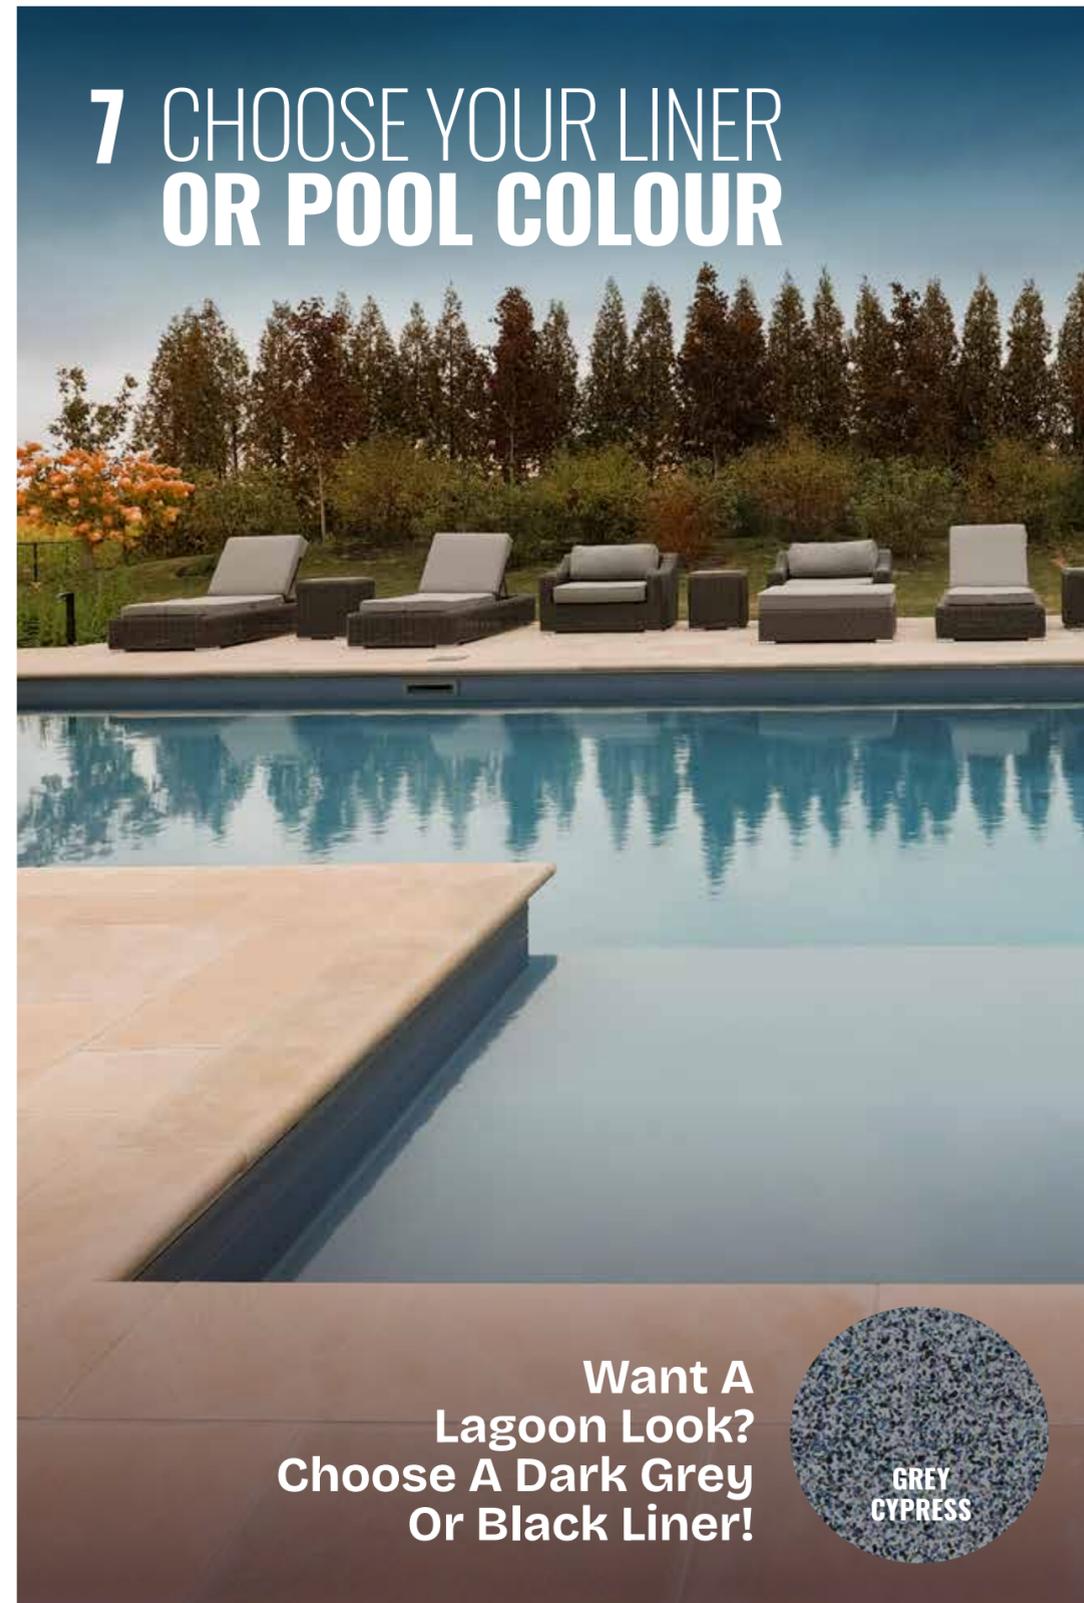

## 7. VARIABLE SPEED FLOPRO PUMP

The VS FloPro is designed with an innovative adjustable base, allowing for simple installation for new construction. The VS FloPro is designed to be operated at energy saving lower speeds for maximum efficiency.

## 8. iAQUALINK

Use the App on the go and control your pool or pool/spa system from anywhere. Turn on your heater (increase or decrease the temp.), turn on your pool/yard/cabana lights, and even turn on your water feature. Program specific times for any wired-in pool equipment to turn on and off.

# 7 CHOOSE YOUR LINER OR POOL COLOUR

## What Colour Pool Water Are You Looking For?

Our incredible selection of pool liners is one of the largest in the industry and feature captivating designs that fit with any backyard oasis. Our liners are made using virgin vinyl material to provide the most durable product and come equipped with warranties of up to 25 years to provide you peace of mind.

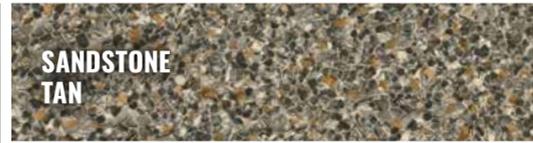

Before you begin the search for the right liner you should take a few factors into consideration. How much sunlight does your pool get? Is your pool shaded by trees or other obstructions? Do you tend to swim at day or at night? How deep is your pool? All these factors can change the colour of your pool water, and can help you decide on the colour and pattern of your liner.

Our online Water Colour Selector can help you visualize how different liner colours react differently when water is added.

# Latham SAFETY COVERS

## Keep Your Family, Friends & Pets Safe This Winter!

Mesh covers allow rain and melted snow to drain directly into the pool, eliminating the need for a cover pump. Lightweight and easy to manage, mesh covers reduce off-season maintenance while still providing a strong safety barrier.

### HEAVY DUTY HARDWARE & SPECIALIZED TOOLS INCLUDED

Stainless Steel Springs are able to withstand the harshest weather and the most extreme tension. Safety Covers come with an easy-to-use application tool so that you can put the cover onto the anchors with minimal stress. Contact one of our service experts if you wish to get assistance in applying the cover for pool closing.

### QUICK, HASSLE-FREE SETUP

Safety Covers come with an easy-to-use application tool so that you can put the cover onto the anchors with minimal stress. Contact one of our service experts if you wish to get assistance in applying the cover for pool closing.

### SAVE WATER, SAVE MONEY

The rainfall and snow melt will help fill your pool for the Spring meaning less money to get to the proper operating level.

### THE STRENGTH IS IN THE SEAMS

Safety is in the details. Seams are interlocked & double overlapped using special UV & chemical resistant threads. A Box Tack reinforces the straps while the protective pads prevent abrasion.

### NO MORE SCRUBBING, NO MORE EYESORE

No need to clean and scrub this cover as leaves and debris can be blown or swept right off! Choose from 4 great colours, which means no more unsightly black tarp to look at all winter.

## SMART FEATURES Purposefully Engineered

Every Latham winter safety cover offers unparalleled strength and durability, designed with features to enhance safety, simplify maintenance and help your pool weather the off-season.

### HEAVY DUTY HARDWARE

Single-coil springs for a tighter, cleaner fit with low-profile D-rings for easy installation and adjustment ensures your cover lays flat.

### DURABLE SEAMS

All solid and mesh winter cover seams are interlocked and double overlapped, delivering unmatched strength at the structural core.

### ANTI-RUB STRIPS

White coping strips prevent black scuff marks along your pool's edge, preserving your deck's appearance while adding a subtle layer of protection to the cover perimeter.

### INVIS-A-DRAIN

Integrated 1/4" drain holes are spaced at 6" intervals down the center of a reinforced vinyl cover. This innovative design filters water through a 12" wide mesh panel below for easy cleaning.

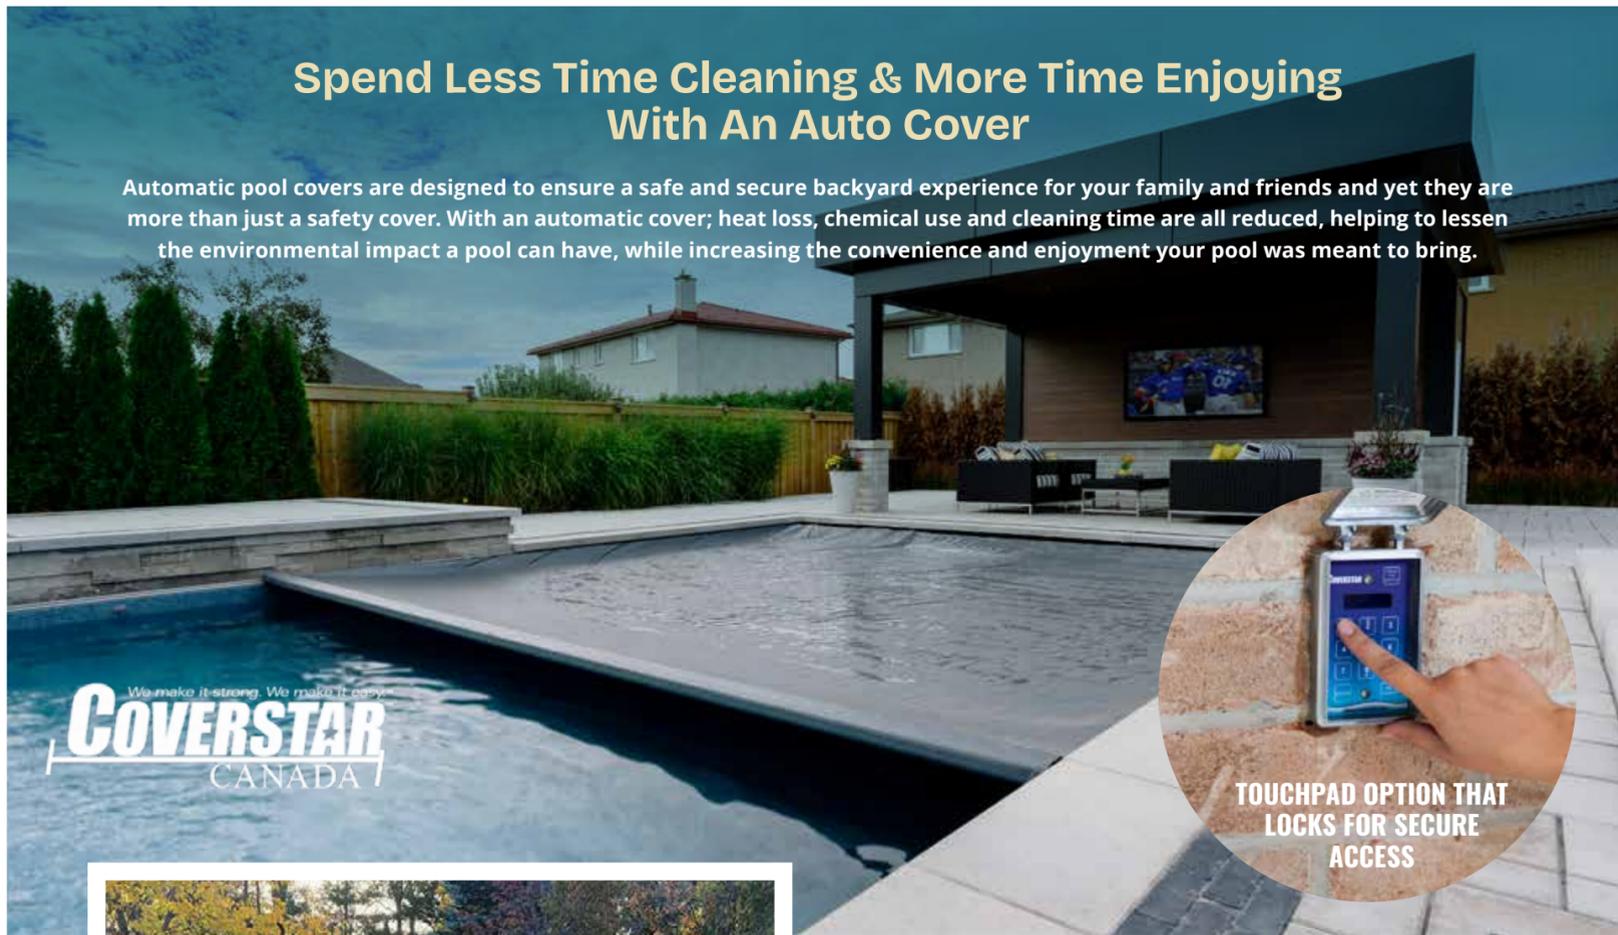

### 5000M™ STANDARD SHADE MESH

This durable micro weave fabric cover combines 91% sun block and high level protection with value. It stands strong with the highest abrasion resistance and tear strength in its class, able to filter debris and dirt.

## Spend Less Time Cleaning & More Time Enjoying With An Auto Cover

Automatic pool covers are designed to ensure a safe and secure backyard experience for your family and friends and yet they are more than just a safety cover. With an automatic cover; heat loss, chemical use and cleaning time are all reduced, helping to lessen the environmental impact a pool can have, while increasing the convenience and enjoyment your pool was meant to bring.

**TOUCHPAD OPTION THAT LOCKS FOR SECURE ACCESS**

We make it strong. We make it easy.  
**COVERSTAR**  
CANADA

### Lock-In Winter Cover

Our form-fitted winter cover snaps into your coping with ease, securing the entire circumference of your pool. There is no contact with the deck surface, so staining is impossible. The non-porous cover keeps your water sparkling all winter long. Your pool looks like a pool should all year long!

Our vinyl lock-in winter covers are made right here in Canada, come with a 5-year warranty (1-year full Warranty, 4-year pro-rated Warranty) and are custom made to fit your pool.

# WE HAVE THE BEST WARRANTY IN THE BUSINESS

### Pool Wall Structures

Your Pioneer Family Pools Dealer guarantees that the entire wall and supporting structure of all Pioneer Inground Pools are free from manufacturing defects and will perform satisfactorily for as long as the original purchaser owns the pool.

### Inground Pool Coping

Your Pioneer Family Pools Dealer guarantees that the coping on all Pioneer Inground Pools are free from manufacturing defects and will perform satisfactorily for as long as the original purchaser owns the pool.

### Concrete Pool Bottoms

All concrete bottoms installed by Pioneer Family Pools are guaranteed to be free from defects in material and workmanship and will perform satisfactorily under normal ground conditions for as long as the original purchaser owns the pool.

### Underground Plumbing

All underground plumbing in your Pioneer Inground Pool is guaranteed not to leak under normal operating conditions for as long as the original purchaser owns the pool and provided Pioneer winterizes the pool.

### Concrete Pool Decks

The engineered perimeter deck installed by your Pioneer Family Pools Dealer is guaranteed to be free of settlement under normal ground conditions for as long as the original purchaser owns the pool. Due to the inherent nature of concrete, cracking can occur due to climatic conditions and is considered normal and is not covered by this warranty.

### Extended Equipment Warranty\*

Your Pioneer Family Pools Dealer extends the terms of Jandy's original equipment warranty of 1 year by an additional 2 years to cover the costs of materials and labour incurred in the repair of such equipment, with a \$200 deductible payable by the pool owner in the 4th and 5th calendar years. (Heater is excluded from year 4 and 5).

### Transferable

This guarantee is transferable by the original purchaser to one only subsequent purchaser of the property on which the pool is installed for a transfer fee of \$600 (+ HST) which must be paid to the Pioneer Family Pools Dealer within 30 days of the transfer of title of said property. Pioneer Family Pools retains the right to inspect each pool before the transfer of said warranty.

### General

These guarantees are in lieu of all expressed or implied. No representative or other person is authorized or permitted to make guarantees or to assume liability not strictly in accordance with the terms as shown on the Guarantee Certificate. This warranty is contingent on full payment of the original purchase price being made by the purchaser.

All guarantees or warranties are void if pool equipment is abused or if proper maintenance, installation and winterizing procedures are not followed or if the proper chemical care of the pool water is not maintained. All warranty claims must be submitted to your Pioneer Family Pool Dealer, and must be accompanied by a duly executed original copy of the Pool Sale Agreement.

### Pool Liners

Pioneer Family Pools' liners are guaranteed to be free from original defects in workmanship and materials, and not to separate at the seams for as long as the original purchaser owns the pool. Should an original defect or seam separation occur, your Pioneer Family Pools Dealer will rectify the problem at their own cost, or offer a replacement liner in accordance with the following cost sharing schedule:

YEAR N <sup>o</sup> . AFTER PURCHASE DATE	DEALER'S REPLACEMENT LINER COST SHARE
Year 1 & 2	100%
Year 3 & 4	75%
Years 5 - 7	40%
Years 8 - 10	25%
10+ Years	15%

In addition, for pools installed by your Pioneer Family Pools dealer, the liner warranty covers 100% compensation for loss of chemicals and labour, for the first 2 years only.

\* This warranty extension pertains only to a pool equipment system that consists solely of Jandy products.

With all of the new technology surrounding your swimming pool; know that we have educated professionals that will answer any questions and provide educational material and guidance.

### Online Resources

We offer a Resource & Helpful Advice section where customers have asked questions, and we have provided easy to access answers.

### Strong Reputation

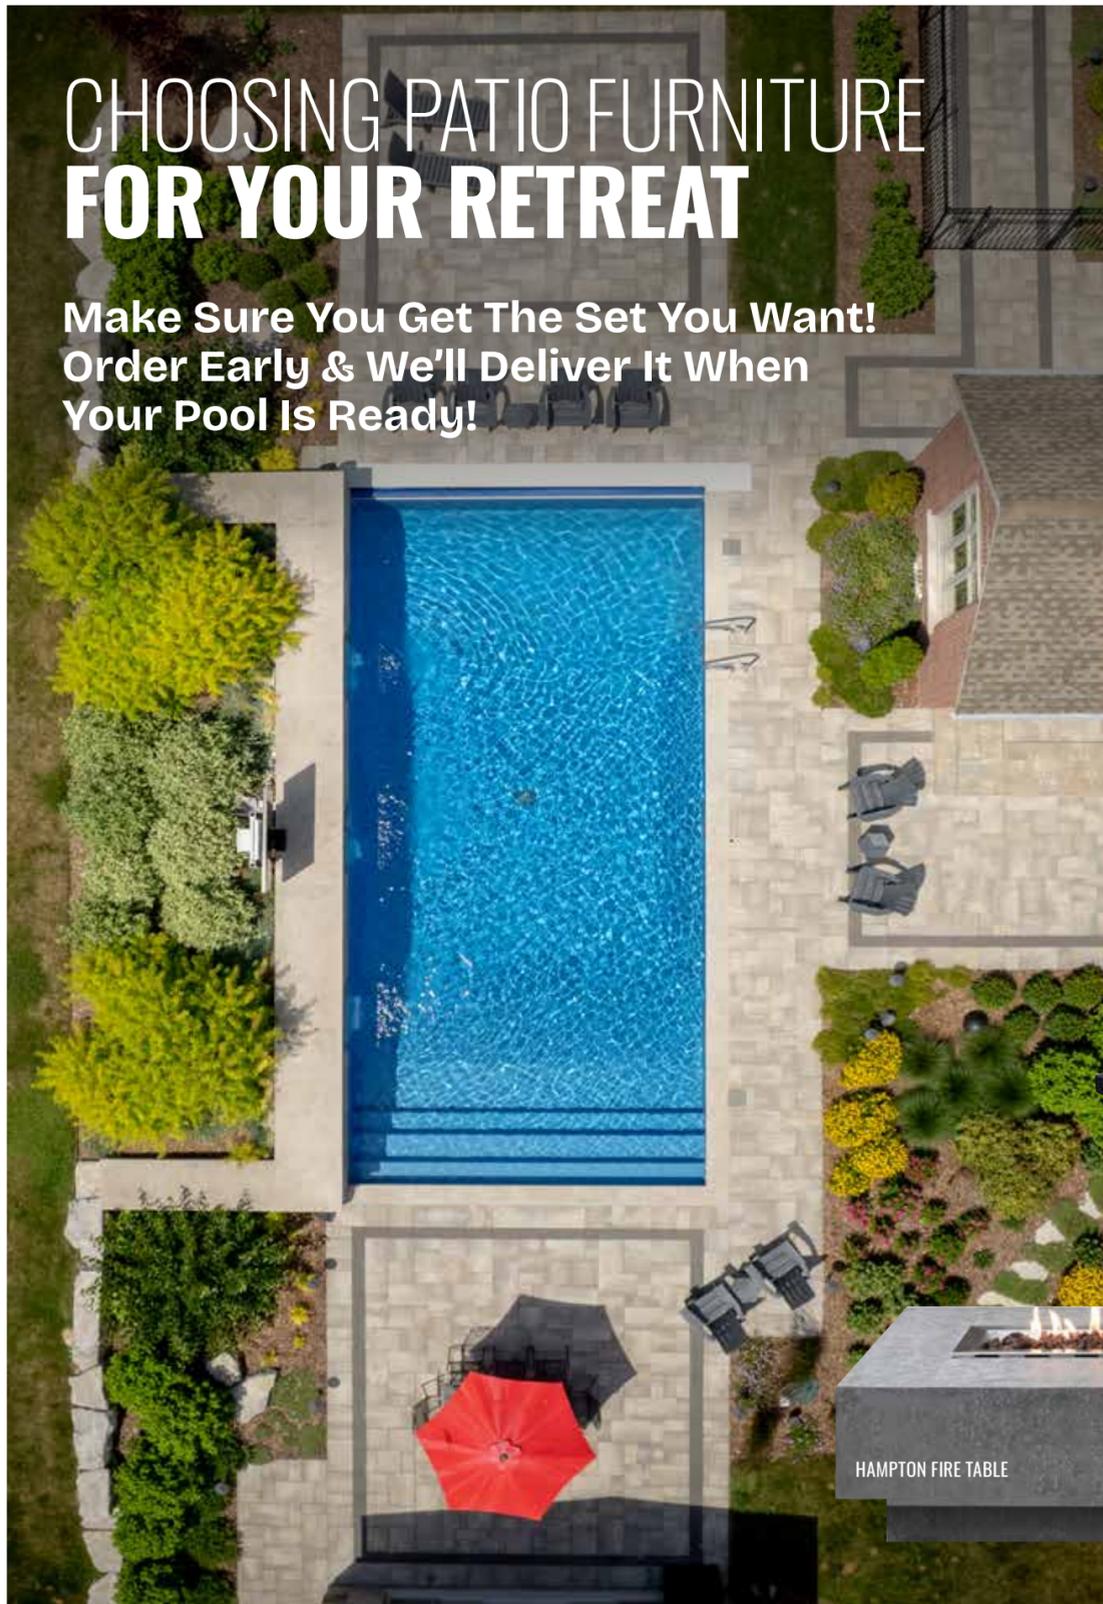

We are privileged to have our customers as our brand ambassadors. Many of our referrals are through word of mouth and online reviews. We are very grateful to have so many customers who have allowed us to be a part of their experience.

### Family Owned & Operated

Through all facets of our organization, you will find Family & Close Friends who have committed their time and knowledge to creating the best customer experience.

# CHOOSING PATIO FURNITURE FOR YOUR RETREAT

**Make Sure You Get The Set You Want!  
Order Early & We'll Deliver It When  
Your Pool Is Ready!**

When designing your ideal outdoor retreat we like to start by asking what your ultimate vision is. Do you like to eat meals outside? Do you entertain often? If so, how much seating would be reasonable to accommodate your guests? These questions help us paint a picture of your needs to ensure you get the set or piece you need to complete your space.

Once we know your vision things get a lot easier! We offer a wide variety of sets that suit almost every style. The next thing to consider is the size of the space and how much room you want surrounding the set. Choose from sets that include the various pieces you'll need to complete the space, or consider a modular sectional that allows you to customize your space and achieve the perfect fit.

If you're looking for deep seating options other than sectionals, we offer bistro sets, sets for smaller spaces, or even picking your favourite item from a piece in one of our collections.

Considering a dining option? Our wide variety of collections allow you to find the set you want, or mix and match between various collections as all of our dining sets are priced separately!

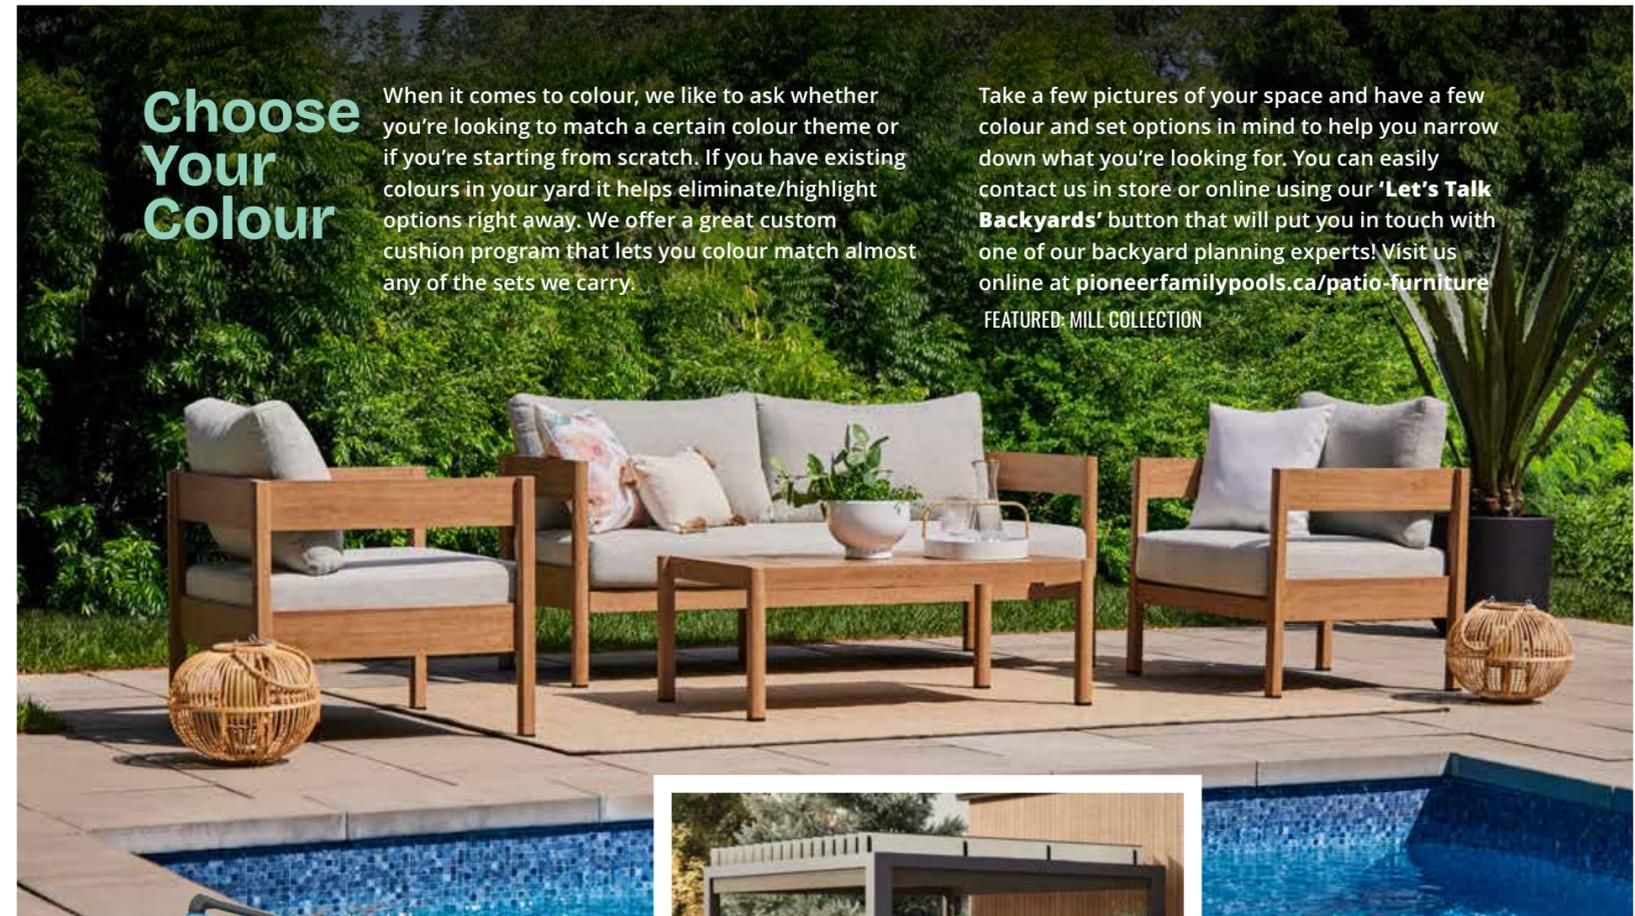

## Choose Your Colour

When it comes to colour, we like to ask whether you're looking to match a certain colour theme or if you're starting from scratch. If you have existing colours in your yard it helps eliminate/highlight options right away. We offer a great custom cushion program that lets you colour match almost any of the sets we carry.

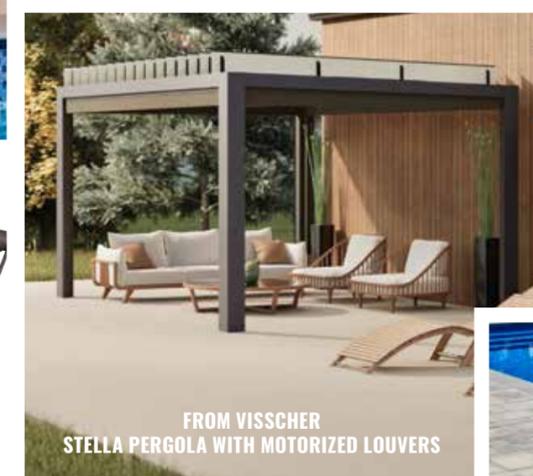

Take a few pictures of your space and have a few colour and set options in mind to help you narrow down what you're looking for. You can easily contact us in store or online using our **'Let's Talk Backyards'** button that will put you in touch with one of our backyard planning experts! An Umbrella,  
Gazebo Or Pergola**

# CREATE YOUR OWN BACKYARD OASIS

A hot tub is the solution for a cozy and comfortable way to gather and connect that your family and friends will enjoy. The best part about family time in the hot tub is that it forces everyone to unplug, if even for 20 minutes, and actually interact in person. For less than the cost of an average vacation, you can have a backyard oasis to enjoy with your loved ones every day for years to come.

Enjoy a simpler, cleaner way to hot tub with the Fresh Water Salt System. Maintenance is easy, keeps your water cleaner, softer, and more natural.

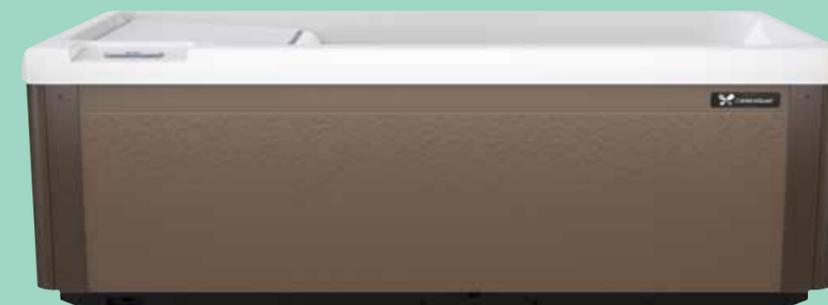

REFLECTION ROOM SAUNA

## Transform Tension Into Rejuvenation

With seating options from 2-8, you're sure to find the perfect fit for you.

## Cold Plunge Therapy Tub Hot & Cold Therapy In Perfect Harmony

This invigorating wellness practice alternates warm water hydrotherapy with bracing cold to deliver a range of health benefits, from boosting your immune system and reducing inflammation to enhancing sleep and building resilience to stress.

# MASTER THE ART OF WELL-BEING

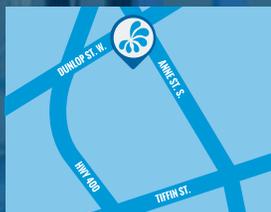

In a world that never slows down, we are constantly seeking new ways to relax and rejuvenate. A sauna can help recover muscles faster after physical activity, provide deep relaxation and also help to detoxify the body by opening pores and increasing sweat production. Control your Sauna from your phone and have it ready when you come home from a workout or after a challenging day at work.
